

MEET KEVIN!

This children and family pastor from New York City is off to India, and you're going with him! With a degree from Moody Theological Seminary, he's studied the Bible a lot, but knows there's still plenty to learn — especially about the Great Commission and how it's being lived out in India today. Kevin loves exercise, chips and salsa, and basketball, and he can't wait to show you a great time in India! Have fun!

GET READY FOR AN ADVENTURE!

Now that you've got your Virtual Reality (VR) headset and coin collector, you're ready to Experience India! Over the next few weeks, you'll visit four different parts of India and meet four very special people who will help you discover how God is at work in our world today!

The common connection these four people have? Each has been impacted by one of Mission India's Children's Bible Clubs. And along the way, you will be challenged to reach even more kids in India with the love of Jesus by supporting Year-Long Children's Bible Clubs in the places you visit! **\$24 is all it takes to send one boy or girl to a Bible Club for an entire year!** You can use your coin collector as you fundraise.

Out of all of the people in the United States who go to church regularly, only half of them were able to correctly identify the Great Commission in a recent survey. We hope Experience India will help you develop a heart for the unreached by providing a fun and easy way to be a part of the Great Commission.

WHAT WE CAN ACHIEVE TOGETHER

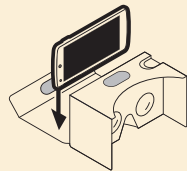

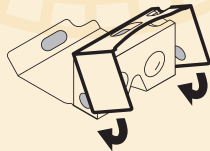

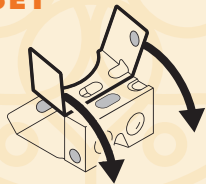

India is home to more than 444 million people under the age of 18, many who have never heard the name of Jesus Christ. Thousands of indigenous leaders across India are eager to bring Year-Long Children's Bible Clubs into their communities. These Bible Clubs provide a caring environment for children and introduce them to their loving God who will transform their hearts. **It costs just \$24 to bring the hope of the Gospel to one child, and \$960 to sponsor an entire Year-Long Children's Bible Club for 40 kids.**

HOW TO USE YOUR COIN COLLECTOR

When you pull your VR headset out of its sleeve, keep the box! This will serve as a coin collector where you can put your dollars and change throughout Experience India. At the end of our time together, send in a check for the amount your family raises* or give online, and it will help send kids in India to a Year-Long Children's Bible Club! Get creative with your fundraising! In the past, individuals have raised money for Year-Long Children's Bible Clubs by having a lemonade stand, making posters, and more. **What will you come up with?**

**Please do not send change to Mission India. Thank you for understanding!*

WHO IS MISSION INDIA?

Experience India is produced by Mission India. We've been working to change the spiritual landscape in India for more than 40 years. We don't send Western missionaries — but instead equip Indian believers to reach their communities through specially-designed Great Commission programs. Our Children's Bible Club program is one of three programs we offer in India. The others are Adult Literacy Classes and Church Planter Training!
