

DIG DEEPER
WEEK 2

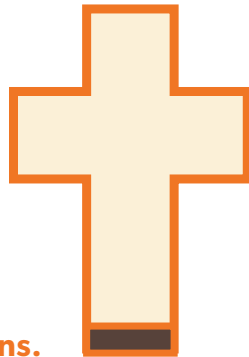

INDIA'S UNREACHED PEOPLE GROUPS

In India, there are many reasons why it's difficult to tell everyone about Jesus. There are many different languages spoken, many people are unable to read, and lots of people live in remote places, like Priya's village in the mountains. Here are some facts about India and the things that make spreading the Gospel difficult. Circle which ones surprise you, and talk about them with a friend or family member.

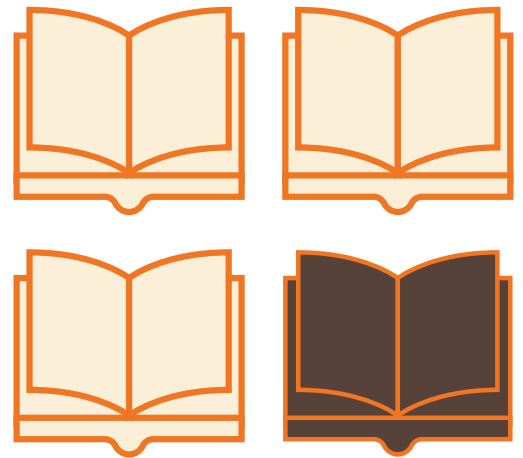

ऐ मेरे वतन के लोगो
जरा आँख मे भर लो पानी
Over 1,600 languages
जो बोलैर हुँ है उनको
जरा याद करो कुर्बानी

24.7% of people
live on less than \$1.25 per day.

Only 2.3%
of people
in India are Christians.

1 in 4 of India's adults
can't read—so they can't read the Bible
or share it with their kids.

90% of people groups
have never heard about Jesus.
